

## Languages Canada Fact Sheet 2017

### Top Source Markets

Quebec has a different pattern of student source markets compared to other provinces. Canada remains the largest market, with a large portion of students also coming from the USA.

Mexico has become an important market for the province, for both English and French language.

### Key Statistics

- **12,468** students in 2016
- **6** public sector, **27** private sector members
- **\$116 million/yr** in export income
- **840** employees (full- and part-time)
- **233** students in pathway programs, destined for further education in Canada
- **10%** of students hold Study Permits

**Over 50% of students in Quebec are studying French.**

**Some students study both languages while in the province.**

Fact sheets are available in English and French and by province.
